

Complement, not replacement.

JobTeaser keeps doing what it does well. Rookies fills the gaps it leaves open.

WHERE JOBTEASER STAYS

Existing strengths · unchanged

- ✓ **Operational back-office**
Real human team supporting career services daily.
- ✓ **Events & career-fair module**
TiU runs Career Days through this.
- ✓ **Orientation tools**
Proprietary career-guidance instruments with research backing.

WHERE ROOKIES FILLS IN

New surface · structural gaps

- + **Matching at the core**
Relevance-first across the platform — bidirectional, transparent.
- + **SME accessibility**
Open posting reaches the boutique employers JobTeaser doesn't.
- + **Strategic data for TiU's management**
Skills demand vs. supply — for accreditation, rankings, positioning.

Rookies runs in parallel during the pilot. No workflow changes. Each system does what it's designed for.
